Great Conservative Website

Our own OSCA Youth Co-Chair Amy Liendecker has an excellent online blog (web log) full of compelling reasons why people should be Conservative. Take a moment to view this excellent online resource at: toryblue.blogspot.com

Golf Tournament News

The Ottawa South Conservative Association has decided to postpone the Fall Golf Tournament due to low registrations. We will be moving the tournament to coincide with the 2nd Annual Tri-EDA Golf Tournament in Spring 2007.

Possible Election

The Conservative government's softwood lumber agreement is up for vote shortly in the House of Commons. The Liberals have publicly stated they will oppose the bill, which is a matter of confidence. If an election does result, the OSCA will need significant volunteer help to win Ottawa South and help the Conservatives form a majority government. Please consider volunteering to help the OSCA.
